

FAIRFIELD APARTMENTS

951 S. BEACH BLVD.
LA HABRA, CALIFORNIA

PROJECT DETAILS

This development is designed with a Mediterranean/Spanish Eclectic architectural style that combines elements from the Spanish Colonial Revival, Mission, Monterey, and Italian Renaissance concepts. It will have nine separate two, three, and four-story residential structures consisting of 335 apartment units. The unit mix consists of a combination of 184 one-bedroom units (722 to 839 square feet), 136 two-bedroom units (1,107 to 1,176 square feet), and 15 three-bedroom units (1,261 square feet). The four-story structures would be located along the Beach Boulevard frontage, and buildings located within 40 feet of the western property line near the single-family homes are two stories in height. The maximum building height will be 53 feet.
