

ORDINANCE 1802

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF LA HABRA FINDING THAT THIS ORDINANCE IS EXEMPT FROM REVIEW UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND ADOPTING DEVELOPMENT AGREEMENT 18-03 BETWEEN THE CITY OF LA HABRA AND RIVER DISTRIBUTING CO., LLC FOR A CANNABIS DISTRIBUTION FACILITY AT 1721 EAST LAMBERT ROAD, UNIT B, AS PER ATTACHMENT "A".

WHEREAS, California Government Code Section 65865 provides that any city may enter into a Development Agreement with any person having a legal authority or equitable interest in real property for the development of such property; and

WHEREAS, the proposed project meets the objectives of the project proponent as well as the City requirements listed in Chapter 18.22 (Commercial Cannabis Activity) of the La Habra Municipal Code and assures that certain improvements are implemented that promote the public health, safety and welfare of the community, and assures the developer of certainty in the development of the property; and

WHEREAS, the Planning Commission of the City of La Habra has heretofore held a duly noticed public hearing, as required by law, on Development Agreement 18-03 for the property located at 1721 East Lambert Road, Unit B and has recommended that the City Council approve Development Agreement 18-03; and

WHEREAS, the City Council of the City of La Habra has heretofore held a duly noticed public hearing, as required by law, on Development Agreement 18-03 for the properties constituting the site located at 1721 East Lambert Road, Unit B; and

WHEREAS, this project was reviewed pursuant to the guidelines of the California Environmental Quality Act (CEQA) and determined to be Categorically Exempt pursuant to 14 CCR Section 15060(c)(2) and 15061(b)(3) because it can be seen with certainty that there is no possibility that the project will have a significant impact on the environment for which the subject Development Agreement 18-03 applies;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LA HABRA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The City Council finds that all the aforementioned facts, findings, and conclusions set forth in this Ordinance are correct.

SECTION 2. The City Council of the City of La Habra does hereby approve an Ordinance adopting Development Agreement 18-03 with River Distributing Co., LLC, attached hereto as Attachment "A".

DEVELOPMENT AGREEMENT

This Development Agreement ("Agreement") is made and entered into this ____ day of _____, 2019 ("Execution Date") by and between the City of La Habra, a California municipal corporation ("City") and River Distributing Co., LLC, a California limited liability company ("Developer"). City and Developer are sometimes referenced together herein as the "Parties." In instances when a provision hereof applies to each of the Parties individually, either may be referenced as a "Party." The Parties hereby jointly render the following statement as to the background facts and circumstances underlying this Agreement.

RECITALS

- A. The State of California enacted California Government Code sections 65864 *et seq.* ("Development Agreement Statutes") to authorize municipalities to enter into development agreements with those having an interest in real property to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic risk of development in connection with the development of real property within their jurisdiction.
- B. The purpose of the Development Agreement Statutes is to authorize municipalities, in their discretion, to establish certain development rights in real property for a period

of years regardless of intervening changes in land use regulations, the members of the City Council or any department or agency of the City, changes in staff, including the City Manager or his or her designee, to vest certain rights in the developer, and to meet certain public purposes of the local government.

- C. Developer currently holds a leasehold interest in a portion of that certain real property with the common address of 1721 E. Lambert Road Unit B, City of La Habra, County of Orange, State of California (“Property”) which consists of approximately 5,698 square feet of real property, of the structure located thereupon and any entitlements and parking incident thereto (“Site”). The Assessor’s Parcel Number for the Site is 936-502-79. The legal description of the Property is attached hereto as Exhibit “A” and is shown on the map in Exhibit “B,” both exhibits being attached hereto and incorporated herein by this reference.
- D. Developer seeks to use the Site for distribution of cannabis products in accordance with California law as permitted by a Type 11 Distribution License issued by the California Board of Cannabis Control so long as such expanded use is consistent with the ordinances and regulations of the City (the “Project” and/or the “Business”). The Parties acknowledge that the fee title to the Property is held by TH Real Estate Investments II, LLC.
- E. The distribution activities subject to this Agreement and authorized by the City shall be conducted in accordance with the California Medicinal and Adult-Use Cannabis Regulation and Safety Act (“MAUCRSA”) codified at California Business & Professions Code section 26000 *et seq.* together with the regulations promulgated thereunder and the 2008 Guidelines for the Security and Non- Diversion of Marijuana Grown for Medical Use issued by the California Attorney General (“AG Guidelines”) and Ordinance No. 1791, adopted by the La Habra City Council on April 16, 2018 permitting and regulating cannabis distribution facilities (collectively the “Cannabis Laws”).
- F. Prior to operating the commercial cannabis distribution business, Developer shall be required to obtain a California Commercial Cannabis Distribution License (Type 11) from the California Bureau of Cannabis Control.
- G. On April 16, 2018, the City adopted Ordinance No. 1791 permitting cannabis distribution facilities in strict compliance with the Cannabis Laws under certain conditions and provisions On July 23, 2018, the Developer submitted an application to engage in commercial cannabis distribution to the City.
- H. On _____ a Notice of Exemption was recorded in the Official Records of the County of Orange as Document No. _____ pursuant to the guidelines of the California Environmental Quality Act (“CEQA”).
- I. The project was reviewed pursuant to the guidelines of the California Environmental Quality Act (CEQA) and determined to be Categorically Exempt pursuant to 14 CCR 15060(c)(2) and 15061(b)(3) because it can be seen with certainty that there is no possibility that the project will have a significant impact on the environment.

- J. The development of the Project and the Site have been found by the City to provide substantial and extraordinary public benefits and to help attain certain public objectives. The public objectives furthered by the development of the Project include, without limitation, (a) providing a long-term source of employment opportunities and assisting in the revitalization of the economic base of the community; and (b) providing additional monies for the City's general fund through contractual payments to the City (the "Contractual Payments"); and (c) providing certain community benefits (the "Community Benefits") as described in the Community Benefits portion of this Agreement. Collectively, all of the aforementioned objectives are referred to herein as the "City's Benefits".
- K. City has given proper public notice of its intention to adopt this Agreement and has conducted public hearings thereon pursuant to California Government Code section 65867 (regarding public hearings and notice thereof). City has found that the provisions of this Agreement and its purposes are consistent with the objectives, policies, general land uses and programs specified in City's General Plan, City's municipal ordinances and La Habra Municipal Code.
- L. City, in entering into this Agreement, acknowledges that certain City obligations arising hereunder shall survive beyond the terms of the present Council members, that this Agreement will serve to bind City and future Councils to the obligations hereby undertaken, and that this Agreement shall limit the future exercise of certain governmental and proprietary powers of City. By approving this Agreement, the Council has elected to exercise certain governmental powers at the time of entering into this Agreement rather than defer its actions to some undetermined future date. The terms and conditions of this Agreement have undergone extensive review by City staff, the Planning Commission, and the Council and have been found to be fair, just and reasonable. City has concluded that the pursuit of the Project will serve the best interests of its citizens and that the public health, safety and welfare are best served by entering into this Agreement. Developer has represented to City that it would not consider or engage in the Project absent City approving this Agreement; i.e., assuring Developer that it will enjoy the development rights granted in this Agreement.
- M. The City has conducted noticed public hearings before the City of La Habra Planning Commission (the "Planning Commission") and La Habra City Council ("City Council") as required by Government Code Section 65867 concerning the Project and this Agreement.
- N. The Planning Commission and the City Council found and determined that the Project is in the best interest of its citizens and furthers the public health, safety, and welfare of the community and consistent with the objectives, policies, general land uses and programs specified in the General Plan and the Light Industrial Land Use designation for the Site stated in the Updated Land Use Plan Map published in 2014; is compatible with the uses authorized in, and the regulations prescribed for the Light Manufacturing (M-1) Zone, is in conformity with the public convenience, general welfare and good land use practices; will not be detrimental to the health, safety and

general welfare of the City; will not adversely affect the orderly development of property or the preservation of property values; and will have a positive fiscal impact on the City subject to the conditions contained within Conditional Use Permit 18-24.

- O. After conducting a duly noticed hearing on _____, and after review and consideration of the application, this Agreement and the written recommendations from the Planning Commission, the City Council approved the execution of this Agreement.
- P. On _____, the City Council approved this Development Agreement pursuant to Ordinance No. _____ (“Enacting Ordinance”).

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, and other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

1. Binding Effect of Agreement. The Parties agree that the Recitals above are true and correct and intend to be bound by same; the Parties further agree to the incorporation by reference herein of said Recitals, together with all definitions provided and exhibits referenced therein. This Agreement pertains to the Site as described in Exhibit “A” and shown in Exhibit “B.” Except as otherwise provided this Agreement, the burdens of this Agreement are binding upon, and the benefits of this Agreement inure to, all successors-in-interest of the Parties and constitute covenants which run with the Site. Not later than ten (10) days after the City enters into this Agreement, the City Clerk shall record this Agreement with the Orange County Recorder and provide a recorded copy to Developer when such recorded copy is available. The word “Developer” as previously defined and used herein shall include successor Developers, apart from government or quasi-public agencies, of any portion of the Site. Should the size or orientation of any Site component specified above be changed in minor respects, e.g., changed by a lot line adjustment, this Agreement shall not thereby be deemed to have been affected or invalidated, but the rights and obligations of the Parties and their successors shall remain as provided herein.
2. Relationship of the Parties. It is hereby specifically understood and acknowledged that the Project is a private project and that neither City nor Developer will be deemed to be the agent of the other for any purpose whatsoever. City and Developer hereby renounce the existence of any form of joint venture or partnership between or among them and agree that nothing contained herein or in any document executed in connection herewith shall be construed as making City and Developer joint ventures or partners.
3. Term and Effective Date of Agreement. Except as otherwise specified herein, the term of this Agreement (“Term”) is ten (10) years from the Effective Date of the adoption of the Enacting Ordinance (“Effective Date”). The Term shall generally be subject to earlier termination or extension as hereinafter provided.
4. Term Extension – Third Party Issues. Notwithstanding the Parties expectation that

there will be no limit or moratorium upon the Project's development or the issuance of building or other development related permits ("Development Limitation") during the Term, the Parties understand and agree that various third parties may take action causing a *de facto* Development Limitation. Consequently, the Term shall be extended for any delay arising from or related to any of the potential Development Limitations that follow in the subsections below for a time equal to the duration of that delay occurring during the Term. No Development Limitation may arise or result from an action or omission by Developers.

- 4.1. Litigation. Any third party-initiated litigation that arises from or is related to any City action or omission with respect to this Agreement or any subsequent City approval required in connection with the Project's development, or third party initiated litigation having the actual effect of delaying the Project's development, such as a legal challenge to any ordinance or ballot initiative or measure or referenda regarding cannabis activity in the City. This extension period related hereto shall include any time during which appeals may be filed or are pending.
 - 4.2. Government Agencies. Any delay arising from or related to the act(s) or omission(s) of the City or any of its departments, councils, commissions or divisions or any third party governmental agency, quasi-public entity, or public utility, and beyond the reasonable control of Developers.
 - 4.3. Force Majeure. Any delay resulting from riot, war, acts of terrorism, an event during the Term creating radioactive or toxic/hazardous contamination, a catastrophic earthquake, flood, fire or other physical natural disaster, excluding weather conditions regardless of severity, strikes or industrial disputes at national level effecting development involved personnel not employed by Developer, its subcontractors or suppliers and effecting an essential portion of the Project's development, excluding any industrial dispute that is specific to development taking place as a part of the Project.
5. Term Lease Extensions. The Term of this Agreement may be extended by City Council action in either of the following ways:
- 5.1. Request of Developer. This Agreement's Term may be extended for two (2) additional ten (10) year periods, following the expiration of the initial Term upon the occurrence of all the following:
 - 5.1.1. Written Notice. Developer shall give written notice to City of a request for the Term Extension, or the City shall give written notice to the Developer to terminate the agreement no later than one hundred twenty (120) days before the expiration of the Term; and
 - 5.1.2. Developer in Good Standing Developer shall not be in

material default with respect to any provision of this Agreement or any subsequent agreement or understanding between the Parties at the time of giving the written notice as provided in Paragraph 5.1.1 of this Agreement.

- 5.2. Mutual Agreement of Parties. This Agreement's Term may be extended by mutual agreement of the Parties.
6. Termination of Agreement. Upon the termination of this Agreement, either by expiration or otherwise, Developer shall have no right to engage in cannabis distribution activities at the Project Site, except as may otherwise be allowed by City ordinance or state law, subject to Developer holding the necessary licenses to engage in said activity. Should the Developer not be in possession of a valid Type 11 Distribution License issued by the California Bureau of Cannabis Control and/or Conditional Use Permit 18-24 be revoked, void, or expire, the Development Agreement shall become null and void and not subject to Section 7.
7. Amendment and Cancellation of Agreement. Either the City or Developer may propose an amendment or cancellation of this Agreement, which shall follow a tiered amendment procedure as follows:
 - 7.1. Minor changes (i.e. clerical, clarifying language or change in process that does not affect terms) as determined by the Community Development Director shall require the Community Development Director to approve and sign-off on the amendment.
 - 7.3 Major amendments (i.e. change in terms), as determined by the Community Development Director shall require the approval of the City Council
8. Permitted Use of Site. The permitted use of the Site shall only be for the distribution of cannabis products in accordance with California law as permitted by a Type 11 Distribution License issued by the California Bureau of Cannabis Control and the ordinances and regulations of the City, and such other expanded sales of cannabis products or use on the Site as may become legal under Type 11 Distribution License, or City law not yet in effect or presently unknown, so long as such expanded use is consistent with the ordinances and regulations of the City.
 - 8.1. The General Plan Land Use designation for the Site is Light Industrial.
 - 8.2. The Zoning designation for the Site is Light Manufacturing (M-1).
 - 8.3. In the event that Developer intends to change the location of the distribution facility to a location other than the Site, Developer shall comply with the provisions for such action as detailed within Chapter 18.22 "Commercial Cannabis Activity". Developer and City agree to expeditiously amend this Agreement to reflect the new location, but the agreements, covenants, rights, duties and obligations shall remain substantially the same subject to conditions that may be placed on the Conditional Use Permit for the proposed new location.

9. Intensity of Land Use. Pursuant to the General Plan Land Use component of the Community Development Chapter, Standards for building intensity for non-residential uses such as commercial, industrial, and mixed-use development are stated as floor-area ratios (FARs). A FAR is the gross building area on a site, excluding structured parking, to the net developable area of the site. The net developable area is the total of a site excluding portions that cannot be developed (e.g., right-of-way, public parks, and so on). Based on a gross building area of 2.28 acres (99,316 square feet) and the net developable area of the three building is 43,655, the FAR for the Site is 0.439. The maximum FAR for property, designated as Light Industrial in the General Plan, is 0.8.
10. Structure Height and Size. There are three existing structures on the Site, which was formerly used as a light industrial business park, prior to the approval of a condominium map. The size of the existing subject structure is 20,094 square feet, the size of the subject unit (Unit B) is 5,698 square feet, and the height of the existing structure is 19 feet or reflected in the project plans attached hereto as Exhibit C.
11. Recordation of Development Agreement, Amendment or Cancellation.
 - 11.1. Pursuant to Government Code section 65868.5, no later than ten calendar (10) days after the City enters into a development agreement, the City Clerk shall record with the Orange County Recorder a copy of this Agreement, which shall impart notice of the terms herein to all persons as is afforded by the recording laws of this state. The burdens of the Agreement shall be binding upon, and the benefits of the Agreement shall inure to, all successors in interest to the parties to the Agreement.
 - 11.2. If the parties to this Agreement or their successors in interest amend or cancel this Agreement as provided in Government Code section 65868, or if the City terminates or modifies this Agreement as provided in Government Code section 65865.1 for failure of the Developer to comply in good faith with the terms or conditions of this Agreement, the City Clerk shall cause notice of such action to be recorded with the Orange County Recorder.
12. Periodic Review of Development Agreement.
 - 12.1. Pursuant to California Government Code section 65865.1, the Director of Community Development Director or designee shall review this Development Agreement at least once every twelve (12) months after the Effective Date of this Agreement (hereinafter "Periodic Review"), at which time the Developer, or successor in interest thereto, shall be required to demonstrate good faith compliance with the terms of this Agreement. If, as a result of such Periodic Review, the City finds and determines, on the basis of substantial evidence, that Developer

or successor in interest thereto has not complied in good faith with terms or conditions of the agreement, the City may terminate or modify the agreement.

13. Notice of Periodic Review. The City shall give the Developer thirty (30) calendar days' advance notice of the Periodic Review pursuant to the Notice provision of this Agreement.

14. Periodic Review—Modification or Termination of Development Agreement.

14.1. If, upon a finding made pursuant to the Periodic Review process described in this Agreement, the City determines to proceed with modification or termination of this Agreement, the City shall set a hearing date and give notice to the Developer and the public as follows:

14.1.1. Notice to Developer. The City shall give the Developer thirty (30) calendar days' advance notice of the Periodic Review pursuant to the Notice provision of this Agreement as specified in Paragraph 13.

14.1.2. Notice to the Public. Public Notice of Periodic Review and any Special Review shall be accomplished as follows:

14.1.3. The City shall set a date for the public hearing.

14.1.4. The City shall insure that the public is given proper Notice of the public hearing in accordance with state planning, zoning and development laws.

14.2. The notice required by this section shall contain:

14.2.1. Any potential issues the City considers to exist with respect to the Project or operation thereof;

14.2.2. Other information which the City considers necessary to inform the Developer of the nature of the proceedings.

14.3. The Public Hearing held pursuant to this section shall be conducted as nearly as possible in accordance with the procedural standards adopted under Government Code section 65804 for the conduct of zoning hearings. Each Person interested in the matter shall be given an opportunity to be heard.

15. Notice. Any notice to be given in connection with this Agreement shall be delivered via first class mail and electronic mail as follows:

15.1. Notice to the City.

City Manager
110 E. La Habra Blvd.
La Habra, CA 90631

15.2. Notice to Developer:
Attention: Henry Pilger
River Distributing Co., LLC
19 Orchid Dr.
Larkspur, CA 94939

16. Contractual Payments by Developer. In consideration for City entering into this Agreement and authorizing the development and operation of the Project and Site, the requirement for City services created by the Project, City ensuring Developer's compliance with this Agreement, the conditional use permit ("CUP"), Cannabis Laws and City's municipal ordinances, throughout the Term of this Agreement, Developer shall pay the City an annual Contractual Payment payable on the Effective Date (the first year payment will be made one year after the effective date) and each year thereafter on the anniversary of the Effective Date for the Term of this Agreement. The Contractual Payment is not a tax, and is particularly not an indirect tax on any consumer such as a sales and use tax, but is rather a payment obligation to pay for the cost of public improvements as a condition of this Development Agreement that is not to be passed along to the ultimate consumer.

16.1. For the first \$12.5 million increment of gross receipts, the contractual payment will be 2.5% of gross receipts. For the next \$12.5 million increment of gross receipts, the contractual payment will be 2.0% of gross receipts. For the next \$12.5 million increment of gross receipts the contractual payment will be 1.5% of gross receipts. For the next \$12.5 million increment of gross receipts, the contractual payment will be 1.0% of gross receipts. For the next \$50,000,000 increment of gross receipts-the contractual payment will be 0.5% of gross receipts. Upon reaching a cumulative total of \$100,000,000 of gross receipts, the percentages and increments shall reset to the beginning of this paragraph. This means, the formula may not reset for a number of years, or it may reset multiple times within a calendar or fiscal year, depending on the strength of the business and amount of gross receipts. For purposes of this Agreement Gross Receipts means all monetary amounts actually collected or received by Permittee for the distribution of cannabis related products or other products. For further clarification, please refer to Exhibit D for a sample illustration of the contractual payment formula Auditing provisions can be found under the "Inventory Control" section of La Habra Municipal Code 18.22.080 (C)(14)(d)

16.2. In the event that, and as determined by the City, a gross receipts-based contractual payment approach is found to be unconstitutional or invalid in any jurisdiction in California, the Parties have 90 days to agree upon an annual flat fee in-lieu. The flat fee would be negotiated in a range that is between 100% and 150% of the average (mean) annual contractual payment

paid by Developer for all years prior to the invalidation. Should this determination occur after less than one full year from the effective date, the flat fee would be negotiated in a range that is between \$100,000 and \$150,000. Developer agrees not to partner, collaborate, participate or pursue any legal challenge that would lead to the invalidation of a gross receipts based contractual public benefit fee.

16.3. In the event that a cannabis business tax or any percentage of gross receipts based fee is approved by the voters of the City of La Habra for cannabis distribution facilities, Developer shall pay the amount established by any such measure or initiative ("Tax Payment") in accordance with any procedure so established by the City Council or its officers, agencies or departments in place of the Contractual Payments due under this Agreement.

16.4. In the event that a fee based on the square footage of cannabis distribution facility premise is approved by the voters of the City of La Habra or the City Council, Developer shall pay the amount established thereby ("Facility Based Fee") in accordance with any procedure so established by the City Council or its officers, agencies or departments in place of the Contractual Payments due under this Agreement.

16.5. Any Contractual Payment paid by Developer pursuant to this Agreement shall be credited toward any fee that may be established as identified in section 16.3 and/or 16.4 adopted and applicable during any year in which Developer has already paid the Contractual Payment to the City; thereafter, Developer shall pay the fee that may be established per section 16.3 and/or 16.4 and shall cease to be obligated to pay the Contractual Payment under this Agreement.

16.6 Community Benefits. Developer will work with the surrounding community and community based groups to ascertain where the greatest need and impact is for financial and volunteer assistance. Developer and its employees will contribute financial support to those causes that align with making the residents of La Habra healthier and more active. In addition, the Developer may contribute to organizations and community events that include, but are not limited to, the City's 4th of July Celebration, the City's "Operation Santa" program, the Chamber of Commerce's Citrus Fair and the Lyons Club Corn Festival. Developer will work with the surrounding community and community based groups to ascertain where the greatest need and impact is for financial and volunteer assistance. Developer and its employees will also devote a minimum of 24 hours per four (4) employees of

developer per year to charitable, non-profit, or City-sponsored causes located within the City or partnered with the City.

17. Covenants of Developer. During the Term of this Agreement, Developer hereby covenants and agrees as follows:
 - 17.1. Implementation. Developer shall use commercially reasonable efforts to pursue the implementation of the Project as expeditiously as feasible, in the form approved by City, subject to all applicable laws, this Agreement, Conditional Use Permit 18-24 the CUP and the La Habra Municipal Code.
 - 17.2. Maintain and Operate Project. Developer shall maintain and operate the Project on the Site, once constructed, throughout the Term of this Agreement, in accordance with the Project Approvals and all City and State laws.
 - 17.3. Hold Harmless. Developer shall defend (with counsel reasonably acceptable to City), indemnify and hold City and its councilpersons, officers, attorneys, agents, contractors, and employees (collectively, the "Indemnified Parties") harmless from and against all losses, costs and expenses (including, without limitation, reasonable attorneys' fees and costs), damages (including, without limitation, consequential damages), claims and liabilities arising from the Project, this Agreement, the approval of the Project and any conditions of approval in connection therewith ("Project Approvals") including threats or claims asserted by any other jurisdiction in connection with Developer's operation of the distribution facility in the City, and the activities of Developer, their members, officers, employees, agents, contractors, invitees and any third parties on the Site, from and against any challenges to the validity of this Agreement or other Project Approvals.
18. Covenants of City. During the Term of this Agreement, City hereby covenants and agrees to process applications and address questions and concerns raised by Developer's representatives at the "counter" at City Hall as expeditiously as reasonably possible. Upon Developer's request, or if, in an exercise of City's own discretion, City's staff determines that it cannot comply with this Paragraph, City shall expeditiously engage the services of private contract planners, plan checkers or inspectors ("Private Contractors") to perform such services as may be necessary to assist in processing the Project's plans as described herein. Compensation of such Private Contractors shall be at Developer's sole cost and expense, inclusive of any administrative cost to City of integrating services by Private Contractors into the Project's development processing. Developer shall pay such costs and expenses of Private Contractors via reimbursement to City, per City's applicable policies and procedures. City shall exercise its reasonable discretion in the selection of such Private Contractors.
19. Vested Rights. During the Term of this Agreement, Developer shall have the

vested right and entitlement to develop and operate the Project in accordance with the General Plan, Building Code, La Habra Municipal Ordinances, and La Habra Municipal Codes regarding land use, zoning and cannabis distribution facility as of the Execution Date (“Existing Land Use Ordinances”). Parties acknowledge that neither the City nor the Developer can at this time predict when or the rate at which or the order in which parts of the Project will be developed. Developer shall have the vested right to develop the Project in such order and at such rate and at such times as Developer deems appropriate in the exercise of its business judgment, provided that Developer is in compliance with the Project Approvals and timelines established in La Habra Municipal Code Chapter 18.22 “Commercial Cannabis Activity”.

20. Building Permits and Other Approvals and Rights. Subject to (a) Developer’s compliance with this Agreement, the Project Approvals the Existing Land Use Ordinances; and (b) payment of the usual and customary fees and charges of general application charged for the processing of such applications, permits and certificates and for any utility connection, or similar fees and charges of general application, City shall process and issue to Developer promptly upon application therefore all necessary use permits, building permits, occupancy certificates, regulatory permits, licenses and other required permits for the construction, use and occupancy of the Project, or any portion thereof, as applied for, including connection to all utility systems under City’s jurisdiction and control (to the extent that such connection are physically feasible and that such utility systems are capable of adequately servicing the Project).
21. Procedures and Standards. The standards for granting or withholding permits or approvals required hereunder in connection with the development of the Project shall be governed as provided herein by the standards, terms and conditions of this Agreement and the Project Approvals, and to the extent not consistent therewith, the Existing Land Use Ordinances, but the customary fees for processing applications for such permits or approvals shall be governed by such ordinances and regulations as may then be applicable. The Developer shall not obtain a building permit final or be permitted to operate until they have obtained a Type 11 Distribution License issued by the California Bureau of Cannabis Control.
22. Effect of this Agreement. Unless otherwise provided by this Agreement, the rules, regulations and official policies governing permitted uses of the land, governing density, and governing design, improvement and construction standards and specifications, applicable to development of the property subject to a development agreement, are the rules, regulations, and official policies in force at the time of execution of the agreement. A development agreement does not prevent the City, in subsequent actions applicable to the property, from applying new rules, regulations and policies which do not conflict with those rules, regulations and policies applicable to the property under the development agreement, nor does a development agreement prevent the City from denying or conditionally approving any subsequent development project application on the basis of such existing or new rules, regulations and policies.

- 22.1. Grant of Right. This Agreement shall constitute a part of the Enacting Ordinance, as if incorporated by reference therein in full. The Parties acknowledge that this Agreement grants Developer the rights and entitlements to develop the Project and use the Site pursuant to specified and known criteria and rules as set forth in the Project Approvals and Existing Land Use Ordinances, and to grant City and the residents of City certain benefits which they otherwise would not receive.
- 22.2. Binding on City/Vested Right of Developer. This Agreement shall be binding upon City and its successors in accordance with and subject to the terms and conditions set forth herein, notwithstanding any subsequent action of City, whether taken by ordinance or resolution of the City Council, by referenda, initiative, or otherwise. The Parties acknowledge and agree that by entering into this Agreement and relying thereupon, Developer has obtained, subject to the terms and conditions of this Agreement, a vested right to proceed with its development of the Project as set forth in the Project Approvals and the Existing Land Use Ordinances, and City has entered into this in order to secure the public benefits conferred upon it hereunder which are essential to alleviate current and potential problems in City and to protect the public health, safety, and welfare of City and its residents, and this Agreement is an essential element to achieve those goals.
23. Future Conflicting Local Laws. If any City law, including ordinances, resolutions, rules, regulations, standards, policies, conditions and specifications (collectively, "City Laws") are enacted or imposed by a citizen-sponsored initiative or referendum, or by the City Council, directly or indirectly, in connection with any proposed initiative or referendum, which City Laws would conflict with this Agreement, such City Laws shall not apply to the Developer with respect to the Project Site and the provisions of this Agreement shall control and supersede any such inconsistent or conflicting City Laws.
24. Approval Subject to Referendum. The Parties, however, acknowledge that City's approval of this Agreement is a legislative action subject to referendum. Without limiting the generality of the foregoing, no moratorium or other limitation whether relating to the rate, timing, phasing or sequencing of development affecting subdivision maps, building permits, or other subsequent approvals shall apply to the Project. Developer agrees and understands that the City does not have authority or jurisdiction over another public agency's authority to grant a moratorium or to impose any other limitation that may affect the Project.
25. Specific Criteria Applicable to Development of Project.
- 25.1. Applicable Ordinances. Except as set forth in this Agreement and the Project Approvals, the Existing Land Use Ordinances shall govern the development of the Site hereunder and the granting or withholding

of all permits or approvals required to develop the Site; provided, however, that Developer shall be subject to all changes in processing, building and fire codes, inspection and plan-check fees and charges imposed by City in connection with the processing of applications for development and construction upon the Site so long as such fees and charges are of general application and are not imposed solely with respect to the Project Site or Developer.

25.2. Amendment to Applicable Ordinances. Any change to the Existing Land Use Ordinances that conflicts with the Project Approvals shall nonetheless apply to the Project if, and only if, (i) it is consented to in writing by Developer in Developer's sole and absolute discretion; (ii) it is determined by City supported by substantial and significant evidence through findings adopted by the City Council that the change or provision is necessary to prevent a condition dangerous to the public health or safety so long as said change does not have the effect of prohibiting the cannabis distribution activity in the City; (iii) it is required by changes in State or Federal law (except that Federal law prohibiting or furthering prohibition of commercial cannabis activity shall not constitute satisfaction of this requirement); (iv) it consists of changes in, or new fees as provided in Paragraph 19 of this Agreement; and (v) it is otherwise expressly permitted by this Agreement.

25.3. Applicability of Zoning Amendments. In the event that City zoning ordinance is amended by City in a manner which provides more favorable site development standards for the Project Site or any part thereof than those in effect as of the Effective Date, Developer shall have the rights to notify City in writing of its desire to be subject to all or any such new standards for the remaining term of this Agreement. If City agrees, by resolution, vote or ordinance of the City Council, such new standards shall become applicable to the Project. Should City thereafter amend such new standards, upon the effective date of such amendment, the original new standards shall continue to apply to the Project as provided above, but Developer may notify City in writing of its desire to be subject to all or any such amended new standards and City shall agree in the manner above provided to apply such amended new standards to the Project.

26. Delays.

26.1. Permitted Delays. In addition to any other provisions of this Agreement with respect to delay, Developer and City shall be excused from performance of their obligations hereunder during any period of delay caused by acts of mother nature, civil commotion, riots, strikes, picketing, or other labor disputes, shortage of materials or supplies, or damage to or prevention of work in process by reason of fire, floods, earthquake, or other casualties, litigation, acts or neglect of the other party, any referendum elections held on the Enacting Ordinance, or the

Existing Land Use Ordinances, or any other ordinance effecting the Project or the approvals, permits or other entitlements related thereto, or restrictions imposed or mandated by governmental or quasi-governmental entities, enactment of conflicting provisions of the Constitution or laws of the State of California or any codes, statutes, regulations or executive mandates promulgated thereunder (collectively, "Laws"), orders of courts of competent jurisdiction, or any other cause similar or dissimilar to the foregoing beyond the reasonable control of City or Developer, as applicable. Each Party shall promptly notify the other Party of any delay hereunder as soon as possible after the same has been ascertained. The time of performance of such obligations shall be extended by the period of any delay hereunder.

26.2. Subsequent Laws or Judicial Action. The provisions of this Agreement shall, to the extent feasible, be modified or suspended as may be necessary to comply with any new Laws or decision issued by a court of competent jurisdiction (a "Decision"), enacted or made after the Effective Date which prevents or precludes compliance with one or more provisions of this Agreement. Promptly after enactment of any such new Law, or issuance of such Decision, the Parties shall meet and confer in good faith to determine the feasibility of any such modification or suspension based on the effect such modification or suspension would have on the purposes and intent of this Agreement. In addition, Developer and City shall have the right to challenge the new Law or the Decision preventing compliance with the terms of this Agreement.

In the event that such challenge is successful, this Agreement shall remain unmodified and in full force and effect, except that the Term shall be extended, for a period of time equal to the length of time the challenge was pursued, to extent such challenge delayed the implementation of the Project.

26.3. The Parties recognize that California has adopted the Cannabis Laws. The Parties intend through this Agreement that Developer shall have the right to engage in cannabis distribution activities as allowed by the current Cannabis Laws (Type 11 Distribution License issued by the California Bureau of Cannabis Control), or any other law or initiative adopted in California pertaining to the retail sale and/or delivery of cannabis goods as that term is defined by MAUCRSA. To the extent the changes in California law change the legal process or structure by which cannabis retailers can or may operate (i.e., for-profit vs non-profit entities, delivery restrictions, etc.), the Parties intend this Agreement to be flexible to allow such changes and may alter the procedures specified herein, by Operating Memoranda as defined below, or otherwise, as may be necessary.

26.4. Operating Memoranda. The provisions of this Agreement require a

close degree of cooperation between City and Developer. It is anticipated due to the term of this Agreement that refinements to the Project Approvals may be appropriate with respect to the details of performance of City and Developer. When and if Developer finds it necessary or appropriate to make changes, adjustments or clarifications, the Parties shall enter into memoranda (“Operating Memoranda”) approved by the Parties in writing, which reference this Section of the Agreement. Operating Memoranda are not intended to constitute an amendment to this Agreement but mere ministerial clarifications; therefore, public notices and hearings shall not be required. The City Attorney shall be authorized upon consultation with Developer, to determine whether a requested clarification may be effectuated pursuant to this Section or whether the requested clarification is of such character to constitute an amendment to the Agreement which requires compliance with the provision of this Agreement pertaining to amendments and as may be required by La Habra Municipal Code Chapter 18.22 “Commercial Cannabis Activity” for review and approval by the Planning Commission and/or City Council. The authority to enter into such Operating Memoranda is hereby delegated to the City Manager, and the City Manager is hereby authorized to execute any Operating Memoranda hereunder without further City Council action.

27. CEQA. The project was reviewed pursuant to the guidelines of the California Environmental Quality Act (CEQA) and determined to be Categorical Exempt pursuant to 14 CCR 15060(c)(2) and 15061(b)(3) because it can be seen with certainty that there is no possibility that the project will have a significant impact on the environment. A Notice of Exemption for the Site was recorded in the Official Records of Orange County on _____ as Document No. _____.
28. Building Permits. Nothing set forth herein shall impair or interfere with the right of City to require the processing of building permits as required by law relating to any specific improvements proposed for the Project pursuant to the applicable provisions of the La Habra Municipal Code, inclusive of such California codes as have been adopted in accordance therewith, that are in effect at the time such permits are applied for; provided, however, no such permit processing shall authorize or permit City to impose any condition on and/or withhold approval of any proposed improvement, the result of which would be inconsistent with this Agreement unless deemed a public health and safety risk.
 - 28.1. Prior to issuance of a building permit, Developer shall secure a Conditional Use Permit from the City. The City agrees to expedite processing, inspections and approvals in connection with Developer’s CUP and other building permits to the extent practicable.
 - 28.2. Prior to a building permit final and commencing business operations,

Developer shall secure a Type 11 Distribution License issued by the California Bureau of Cannabis Control.

29. Assignment and Transfer of Rights. Except as otherwise provided in this section, the burdens of this Agreement are binding upon, and the benefits of this Agreement inure to, all successors-in-interest of the Parties and constitute covenants that run with the Site. No assignment or transfer of rights is permitted until full compliance for such action has been completed as required by La Habra Municipal Code Chapter 18.22 “Commercial Cannabis Activity”. The fee for the assignment or transfer of this agreement will be \$50,000 and is payable in full within 5 business days of the approval by the City Council of the assignment or transfer of this agreement.
30. Breach and Remedies. Notwithstanding any provision of this Agreement to the contrary, Developer shall not be deemed to be in default under this Agreement with respect to any obligation owed solely to City, and City may not terminate or modify Developer’s rights under this Agreement, unless City shall have first delivered a written notice of any alleged default to Developer that specifies the nature of such default and provides Developer with a meaningful and reasonable opportunity to cure. If such default is not cured by Developer within fourteen (14) calendar days after receipt of such notice of default, or with respect to defaults that cannot be cured within such period and Developer fails to commence efforts to cure the default within fourteen (14) calendar days, after receipt of the notice of default, or thereafter fails to diligently pursue the cure of such default, City may terminate Developer’s rights under this Agreement at a public hearing. Established timelines, penalties and compliance standards contained within La Habra Municipal Code Chapter 18.22 “Commercial Cannabis Activity” shall supersede this section. In the event that a breach of this Agreement occurs, irreparable harm is likely to occur to the non-breaching Party and damages will be an inadequate remedy. To the extent permitted by law, therefore, it is expressly recognized that injunctive relief and specific enforcement of this Agreement are proper and desirable remedies, which remedies shall be cumulative and in addition to any claims or actions for monetary damages.
31. Estoppel Certificate. City shall, at any time and from time to time within ten (10) calendar days after receipt of written notice from Developer so requesting, execute, acknowledge and deliver to Developer a statement in writing: (a) certifying that this Agreement is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Agreement, as so modified, is in full force and effect), and (b) acknowledging that there are no uncured defaults on the part of Developer hereunder or specifying such defaults if any are claimed. Any such statement may be relied upon by any prospective purchaser or encumbrancer of all or any portion of the Site. Upon ten (10) calendar days from Developer’s written request, City shall issue a certificate of performance evidencing completion of any of Developer’s obligation(s) under this Agreement.
32. Mutual Covenants. The covenants contained herein, including those contained in

the Recitals, are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the Party benefited thereby of the covenants to be performed hereunder by such benefited Party.

33. Headings. The headings of this Agreement are inserted for convenience only. They do not constitute part of this Agreement and shall not be used in its construction.
34. Entire Agreement. This Agreement and the Exhibits herein contain the entire integrated agreement among the Parties. The Parties intend that this Agreement state their agreement in full to each and every one of its provisions. Any prior agreements, understandings, promises, negotiations or representations respecting the matters dealt with herein or the duties of any Party in relation thereto, not expressly set forth in this Agreement, are agreed by all Parties to be null and void.
35. Definitions. To the extent this Agreement defines terms used herein, the definitions in this Agreement shall control any interpretation of this Agreement. To the extent that any term is not defined in this Agreement, and such term is defined in MAUCRSA, the definition under MAUCRSA shall control; and if not defined, clarified or explained under MAUCRSA, then the remaining Cannabis Laws; and if not defined, clarified or explained under the Cannabis Laws, then the definition supplied in any state or City law relevant to the subject matter of this Agreement that does not conflict with the overall interpretation of this Agreement shall control.
36. Severability. If any term, provision, condition or covenant of this Agreement, or the application thereof to any Party or circumstance, shall to any extent be held invalid or unenforceable, the remainder of the instrument, or the application of such term, provision, condition or covenant to persons or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected thereby and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.
37. Waiver. Failure by a Party to insist upon the strict performance of any of this Agreement's provisions by the other Party, or the failure by a Party to exercise its rights upon the default of the other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by the other Party with the terms of this Agreement thereafter.
38. Interpretation of Agreement. This Agreement shall not be construed as if it had been prepared by either Party, but rather as if both Parties had prepared the Agreement, without regard to any statute which construes drafting errors or ambiguities against the Party proposing or drafting the contract, or similar statutes, because it has been reviewed by the Parties and found to be fair and in accordance with the intentions and agreements intended to be made by the Parties after consultation with each such Party's legal counsel or opportunity to do so. This Agreement is fair and in accordance with their intentions and, therefore, should interpretation hereof ever be necessary, this Agreement shall be interpreted simply and fairly, and neither for nor against any Party hereto.

39. Forum, Venue and Choice of Law. This Agreement shall be governed in all respects by the laws of the state of California, including but not limited to the California Code of Civil Procedure, the California Uniform Commercial Code and the California Evidence Code. The Parties agree that any claim or dispute must be resolved by the Superior Court of the State of California for the County of Orange located at 700 Civic Center Drive West, Santa Ana, CA, 92701 and no other.
40. Jurisdiction. The Parties consent to the exclusive personal and subject matter jurisdiction and venue of the Superior Court of the State of California for the County of Orange located at 700 Civic Center Drive West, Santa Ana, CA, 92701, and no other court, in any action arising out of or relating to this Agreement. Parties waives any other venue to which Parties might be entitled by domicile or otherwise.
41. Counterparts. This Agreement may be executed in counter parts and may be transmitted electronically or via facsimile. Pursuant to the California Uniform Electronic Transactions Act (California Civil Code section 1633 et seq.) the Parties to this Agreement expressly acknowledge that an electronic signature (as defined by the California Uniform Electronic Transactions Act) shall have the same legal force and effect as an original “wet ink” signature and may be relied upon by the Parties as such.
42. Representations. The Parties represent and warrant that no other person or entity has, or has had, any interest in the claims, liens, demands, obligations, or causes of action referred to in this Agreement, except as otherwise set forth herein; that the Parties have the sole rights and exclusive authority to execute this Agreement and receive the sums specified in it; and that the Parties have not sold, assigned, transferred, conveyed or otherwise disposed of any of the claims, demands, obligations or causes of action referred to in this Agreement.
43. Authority to Execute and Bind. In addition to the above warranties, the Parties specifically warrant and represent that each such Party is authorized to enter into this Agreement on its behalf and that the person signing below is duly authorized to execute and bind the Party to this Agreement.
44. Successors-in-Interest. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties to this Agreement (“Successors”). Furthermore, the rights and remedies, together with the benefits and burdens of this Agreement of each Party to this Agreement shall be coextensive with those of its Successors. All provisions of this Agreement shall be enforceable as equitable servitude’s and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to development of the Site: (a) is for the benefit of and is a burden upon every portion of the Site, (b) runs with the Site and each portion thereof, and (c) is binding upon each Party and each Successor during development and construction of the Site or any portion thereof. From and after recordation of this Agreement, the Agreement shall impute notice to all persons and entities in accord with the recording laws of this

State.

- 44.1. The ability of Developer to transfer the rights and benefits arising out of this Agreement shall be subject to City approval, a new approved Conditional Use Permit between the City and the prospective transferee and an approved development agreement between the City and the prospective transferee. No commercial cannabis activities may be conducted by any potential transferee prior to satisfaction of all City requirements as outlined herein. City shall not unreasonably deny Developer and a potential transferee's request to transfer the rights, duties, benefits and obligations arising hereunder.
- 44.2. The ability of Developer to transfer the rights and benefits of this agreement is subject to the prospective transferee obtaining the required Type 11 Distribution License issued by the California Bureau of Cannabis Control.
45. No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the Parties and their Successors and Assignees. No other person or entity shall have any right of action based upon any provision of this Agreement and no other person shall be considered a third party beneficiary under this Agreement.
46. Dispute Resolution and Attorneys' Fees. Notwithstanding a Party's right to seek to injunctive or equitable relief as provided in this Agreement, in the event that a dispute between the Parties should arise out of or in connection with this Agreement, the Parties agree to submit to voluntary mediation upon written demand by either Party served on the other Party pursuant to the notice provisions set forth in this Agreement. The cost of the mediator shall be split equally between the Parties and shall be paid timely and in accordance with the mediator's terms and conditions. Mediation shall be conducted at a reputable mediator's office (e.g. ADR Services, JAMS, Adjudicate West, etc. but shall not include IVAMS) within Orange County, California or such other county in Southern California as the Parties may mutually agree, and shall be selected by the Party demanding mediation submitting a list of three to five qualified mediators for the other Party to select from. Should either Party refuse to submit to mediation upon written demand by the other Party, that Party shall waive his, her or its right to recover his, her or its attorneys' fees not to exceed \$500.00 per hour in any resulting court action regardless of whether that Party would otherwise be entitled to recovery of attorneys' fees as the prevailing party or otherwise (including sanctions for a discovery abuse or violation, Anti-SLAPP award or otherwise) without regard to any rule of court or schedule of such fees maintained by the court, in addition to any other damages or relief awarded, regardless of whether such action, proceeding or claim proceeds to final judgment. Provided that, if the Parties both elect to forego mediation, or after any unsuccessful good faith attempt(s) to mediate any dispute between the Parties, the prevailing party shall be entitled to recover attorneys' fees not to exceed \$500.00 per hour,

expert fees, costs and the cost of mediation and attorneys' fees in connection therewith, regardless of whether the dispute is resolved by court or jury trial and shall include all attorneys' fees not to exceed \$500.00 per hour and costs incurred in connection with the dispute, both prior and subsequent to commencement of legal action in court.

47. Indemnification. Developer agrees to indemnify the City, are expressly conditioned on the resolution of all legal challenges, if any, to environmental analysis, the Project Approvals and the Project, and the City's issuance of all construction and building permits for the construction of the Project. If no litigation or referendum is commenced challenging the environmental analysis, the Project Approvals or the Project, then this subsection will be deemed satisfied 90 days after the Effective Date of this Agreement. If litigation or a referendum is commenced challenging the environmental analysis, Project Approvals and/or the Project, then this subsection will be deemed satisfied on the date of final, non-appealable resolution of all litigation in a manner that is reasonably acceptable to Developer or resolution of the referendum in a manner that is reasonably acceptable to Developer. Notwithstanding the foregoing, Developer's obligation to indemnify, defend and hold harmless shall apply immediately upon Developer's execution of this Agreement and are not conditioned upon a resolution of all legal challenges.

47.1. Developer agrees to indemnify, defend with counsel acceptable to City and hold harmless the City, and its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives from any and all claims, costs (including legal fees and costs) and liabilities of any kind for any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by the Developer, or any actions or inactions of Developer's contractors, subcontractors, agents, or employees in connection with the construction, improvement, operation, or maintenance of the Project, except to the extent such costs and liabilities are caused by the sole negligence or willful misconduct of the City.

47.2. Developer agrees to indemnify, defend with counsel acceptable to City and hold harmless the City, and its elected and appointed councils, boards, commissions, officers, agents, employees, and representatives from any and all claims, costs (including legal fees and costs) and liabilities of any kind for arising out of or connected to the approval or issuance of any permit, license or approval by the City for the Project, except to the extent such costs and liabilities are caused by the sole negligence or willful misconduct of the City. In particular, and without limiting the generality of the foregoing, Developer agrees it shall be responsible for all costs incurred by the City in the event of a third-party challenge to the validity of this Agreement, the Project Approvals, CEQA Documents, and/or the associated regulatory

permits for the Project.

48. Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.
49. Recordation of Agreement. This Agreement and any amendment or cancellation thereof shall be recorded with the County Recorder by the City Clerk within the period required by Government Code section 65868.5.
50. Construction. Each Party expressly waives the provisions of California Civil Code §1654 and hereby agrees that this Agreement was jointly negotiated and jointly drafted by the Parties and their respective counsel, and that it shall not be interpreted or construed in favor of or against any Party solely on the ground that it drafted the Agreement. It is also agreed and represented by all Parties that said Parties were of equal or relatively equal bargaining power and that in no way whatsoever shall this Agreement be deemed to be a contract of adhesion, or unreasonable or unconscionable.
51. Independent Legal Counsel. Each Party acknowledges that it has been represented by independent legal counsel of its own choice throughout all of the negotiations that preceded the execution of this Agreement or has knowingly and voluntarily declined to consult legal counsel, and that each Party has executed this Agreement with the consent and on the advice of such independent legal counsel.
52. Further Cooperation. The Parties herein agreed to execute any and all agreements, documents or instruments as may be reasonably necessary in order to fully effectuate the agreements and covenants of the Parties contained in this Agreement, or to evidence this Agreement as a matter of public record, if required to fulfill the purposes of this Agreement. The Parties further agree to mutually cooperate with one another in carrying out the purposes of this Agreement.
53. Enforceability. This Agreement shall not become binding and shall have no force and effect whatsoever until such time as it has been fully executed by and delivered to all of the Parties thereto.

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the Effective Date of this Agreement.
