

CDBG Public Service Funding - Fiscal Year 2022-2023
APPLICATION INSTRUCTIONS

INTRO

Thank you for your interest in the City of La Habra CDBG Public Service Funding Process. The Instructions and Application documents for Fiscal Year (FY) 2022-2023 have been modified. Please read the instructions and application carefully. Mark your calendar with all the important dates in this document. Once submitted, your application becomes the property of the City of La Habra.

ABOUT CDBG

The U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) Program is a flexible program that provides communities with resources to address a wide range of unique community development needs. The program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expending economic opportunities, principally for low- and moderate-income persons.

FUNDING AVAILABLE

The CDBG Public Service application process for non-profit agencies is a competitive process. The submittal of your agency's application is not a guarantee of a positive funding recommendation by the Community Services Commission. Generally, not all agencies applying for funding are granted an award and not all agencies funded receive the full amount they requested. The total amount of funding projected to be available for public services in FY 2022/2023 is estimated to be \$95,000. This amount is subject to change. Separate and complete applications must be submitted for each program/project proposed by an agency.

COST REIMBURSEMENT AGREEMENT

Grants are provided through a Cost Reimbursement Sub-recipient Agreement. Reimbursement requests are allowed on a quarterly basis; therefore, organizations must have enough working capital to continue services until a reimbursement request can be processed by the City. Only allowable and allocable CDBG project expenses will be reimbursed. The term of the agreement will be July 1, 2022 through June 30, 2023.

CDBG PUBLIC SERVICE FUNDING PROCESS

The Community Services Commission is appointed by City Council to advise them on community services issues of importance in the community. One of the roles of the Community Services Commission is to conduct public meetings in order to formulate the initial funding allocation recommendation for public service agencies applying for CDBG Public Service Funding. Final recommendations will be presented to City Council for final approval. Questions regarding the funding process may be referred to Susan Louie, Housing Specialist, (562) 383-4111 or slouie@lahabracity.gov.

CDBG PROGRAM OBJECTIVES

All CDBG funds must be expended on projects or services that comply with the Primary Objective, while meeting one of the three National Objectives: 1) Benefit low- and moderate-income persons, 2) Address conditions of slum and blight, or 3) Meet particular urgent need(s) (such as a flood, earthquake, etc.)
