

## **Euclid Street Water Replacement Project**

Dear Property Owners/Residents, and Business Owners:

The City of La Habra, through its contractor, **Lucas Builders, Inc.**, will be constructing the Euclid Street Water Main Replacement Project in your neighborhood:

### **PROJECT INFORMATION**

- 1) **SCOPE OF WORK:** This project will replace an aging water main with a new 12" diameter main line, along with new water services, valves, fire hydrants and pavement trench replacement.
- 2) **SCHEDULE: CONSTRUCTION PERIOD:** December 2023 through March 2024  
**CONSTRUCTION HOURS:** 7:30 AM to 4:00 PM, Monday to Friday except holidays
- 3) **ADVISORY:** The construction may cause some inconvenience, but the water main replacements will bring lasting benefits to the neighborhood and the community. We appreciate your cooperation in the following matters:
  - Comply with all posted parking restrictions. Vehicles parked in a posted "NO PARKING" zone may be towed, as they may interrupt the construction process.
  - Also, comply with all traffic and construction signage.
