[ ] Statutory Exemptions. State code number:

Reason why projects exempt: Zone Change 25-0003 is not a project pursuant to Section 15378(b)(5) of the CEQA Guidelines because it is an administrative activity of the City that will not result in direct or indirect physical changes in the environment. Section 15061(b)(3) exempts projects from CEQA that are covered by the common-sense exemption that CEQA only applies to projects which have the potential for causing a significant effect on the environment. This project is only for an update to the City of La Habra's Municipal Code. Because it is certain that an update to the Municipal Code will have no possibility of having any significant effect on the environment, the project is not subject to CEQA.
